

KX-UT670

Panasonic SIP Phone Competitive Comparison

KX-UT670 Highlights

- 6 SIP Accounts
- 7 inch, Color Touch Screen
- Integration with IP Cameras (up to 16)
- HD Voice (G.722)
- 3-Way Conference Call Support
- 2 x GbE ports, PoE
- Full Duplex Speaker Phone
- Plug & Play Configuration

Smart Desktop Phone

- Open-Source OS Programmable in Java allowing for customizable application development with a simple Software Kit download
- Browse the web, access email & check daily calendar appointments on the phone
- Sync with up to 16 Panasonic network security cameras for live video monitoring
- Paging function lets you quickly get 2 colleagues on the phone with you for a conference even if they're located at opposite parts of the country
- All UT Series models are PoE ready, thus eliminating the need for adaptors and saving on electricians' fees.
- Comprehensive, two-year limited warranty protects your investment well into the life of the phone.
